

## ~ Shojin's Offerings ~

We offer our guests:

Our hearts and our best wishes for your health and happiness after we meet you at Shojin, we hope your life will be full, and that our meeting will bring you great fortune in the future.

As a matter of fact, this is what we want to communicate most of all.

We want you to consider Shojin a warm, comfortable home away from home - not just a restaurant.

We consider you a member of our family and one of our best friends.

We want to have a close relationship with you. We have only one request from you...

And that is to come back to Shojin as if you're coming home.
